Lisbon, Slowly

A fictional three-day city journey showing planning, field notes, and reflection together.

GUIDED LISBON WORKSPACE

One hillside base. Three walkable days. Enough structure to notice tiled walls, ferry light, and late-afternoon streets.

LISBON / 3 DAYS

All names, providers, reservations, and schedule details in this branch are fictional teaching examples. No booking codes or personal data are included.

Lisbon | Three Days

Fictional Lisbon route | Three days shaped around neighborhoods rather than a checklist.

WAYPOINT / ROUTE AT A GLANCE

Three Days in Lisbon

A fictional route grouped by neighboring places, with generous unscheduled edges.

Open a day card. Twenty-one days fit without clipping; labels stay concise for quick scanning.

- DAY 01 / BAIXA + ALFAMA
- DAY 02 / BELÉM + AJUDA
- DAY 03 / ESTRELA + RIVER

Day 01 | Baixa to Alfama

Day 01 | Shape a route, then record what was not on the list.

DAY 01 / BAIXA + ALFAMA

[DAY 02 »](#)

TIMELINE / ROUTE

09:30 Settle near Graça
11:00 Walk down through Mouraria
13:00 Lunch near Baixa
15:30 Alfama lanes + small viewpoints
18:15 Ferry light from the river edge

FIELD NOTES - DETAILS, SOUNDS, FRAGMENTS

Laundry moved above a narrow lane like signal flags. At the river the city stopped feeling like a map and became mostly wind, glare, and footsteps on stone.

WEATHER / LIGHT

Bright / river breeze

ONE MOMENT TO KEEP

Blue tile fragments beside a repair shop

Day 02 | Belém to Ajuda

Day 02 | Shape a route, then record what was not on the list.

DAY 02 / BELÉM + AJUDA

« DAY 01

DAY 03 »

TIMELINE / ROUTE

08:30 Tram west before crowds
09:30 Riverside walk in Belém
11:30 Garden pause
13:15 Lunch uphill toward Ajuda
16:00 Quiet streets + local café
18:00 Return by bus

FIELD NOTES - DETAILS, SOUNDS, FRAGMENTS

Monumental stone gave way quickly to ordinary balconies uphill. Best part was the change in scale: broad river, formal garden, then a café with four tables and a radio.

WEATHER / LIGHT

High cloud / warm

ONE MOMENT TO KEEP

Custard scent drifting into the tram queue

WAYPOINT / DAILY FIELD NOTES

Day 03 | Estrela to the River

Day 03 | Shape a route, then record what was not on the list.

DAY 03 / ESTRELA + RIVER

« DAY 02

TIMELINE / ROUTE

09:00 Estrela garden
10:30 Fictional tile study visit
12:30 Market lunch
15:00 Unplanned bookshop hour
17:30 Walk to Cais do Sodré
19:00 Final river crossing

FIELD NOTES - DETAILS, SOUNDS, FRAGMENTS

A jacaranda shadow patterned the path almost like tile. Kept the afternoon loose and found a narrow bookshop where the shelves made their own crooked topography.

WEATHER / LIGHT

Soft sun / still

ONE MOMENT TO KEEP

Last ferry wake folding the reflected city

WAYPOINT / PACKING

Lisbon Packing Notes

Pack for movement, weather, access, and a little unplanned space.

WEAR + LAYERS

Light layers
Rain shell
Broken-in walking shoes

CARRY EACH DAY

BUDGET / CURRENCY NOTE

Example categories only; amounts intentionally omitted rather than presenting invented prices as current guidance.

WAYPOINT / TASTES + FINDS

Lisbon | Tastes & Finds

Tastes, objects, and small finds worth remembering precisely.

Food, drink, objects, small discoveries. Shade squares for the verdict — five means unforgettable.

WHERE	WHAT	VERDICT
Bakery window, Alfama lane	Warm custard pastry, extra cinnamon	
Market counter, Baixa	Grilled sardines with lemon	
Corner kiosk by the river	Bitter espresso, ceramic cup kept cool	

THE ONE WORTH A DETOUR

The pastry — order two immediately, regret nothing.

Lisbon | Tickets & Sketches

Four open frames for drawings, tickets, and glued-in scraps.

Draw the doorway, tape the stub, map the corner. Caption each frame below it.

WAYPOINT / WHAT REMAINS

Lisbon | What Remains

Close the route by choosing details worth carrying into ordinary days.

A PLACE

The ferry deck at the edge of evening.

A TASTE

Warm pastry, bitter coffee, salt in the river air.

A DETAIL

Door numbers painted directly onto blue tile.

A CONVERSATION

A café owner describing the quietest uphill route.

WHAT CAME HOME WITH ME

Walk neighborhoods in sequences, not attractions in lists. Leave enough margin to follow texture, weather, and appetite.

NEXT TIME

Stay longer in one district and take an early train beyond the city.

My Journey Shelf

A clean configurable workspace with no sample destinations, bookings, costs, or journal entries.

BLANK WORKSPACE

Choose a journey, gather practical details, and make room for notes from the field.
